Installation is as easy as

Measure. Cut. Connect.

Water-Tight RV Connector

The QwikCamp Waste Bushing for RV Bayonet fitting + the 4" to 3" Adapter Coupling provides a leak-proof, water-tight connection. Install with a screwdriver, nut-driver or drill.

Rigid Yet Flexible System

The QwikCamp RV kit includes a flexible elbow and coupling for far reaching RV to sewer connections while providing a sophisticated heavy-duty plumbing system.

Universal Waste Connection

The 3-in-1 Slip-Fit Elbow Adapter provides the flexibility to connect to various cleanouts including 4" FIPT, 3.5" and 3" plastic inlets. Works with hard-to-reach angles and can even work with damaged threads.
